**AMENDMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This amendment is submitted in response to a second non-final office action in the above case dated July 29, 2005, in which the Examiner objected to claim 8 and rejected all the claims as obvious (35 U.S.C. §103) over cited art. Applicants have amended the independent claims to include requirements of claim 2, 21, and 40 to further distinguish over the cited art. Applicants canceled claims 2, 21, and 40. Applicants traverse the prior art rejections with respect to the amended claims and submit that all pending claims 1, 3-16, 19-20, 22-35, 38, 40, 42-54, and 57 are patentable over the cited art and in condition for allowance for the reasons discussed herein.

Amendments to the Claims are reflected in the listing of claims which begins on page 2.

Remarks/Arguments begin on page 14.
